Railroad,. with four rooms, and all o her necessary out houses. Also, a good store house. It is a good stand for a store and public house, there being none near, and one very much needed. Apply to B. H. HALE at Battlesboro, Edgecombe County,

N. B. Possession can be given immediately. September, 2d, 1853

DR. T. B. CARR, recently from New York, has opened an office on Market street, Market Street,

In addition to a full assortment of the best incorruptible mineral teeth, he has the exclusive right to use in this town Dr. John Allen's Patent improvement, by which the teeth are united to the plate, with one continuous, mineral gum. This has endured, without the slightest change, the severest test, and is pronounced by competent judges the greatest improvement in the Dental Art, that has been made in years. Specimens of the new kind of plate teeth, together with numerous testimonials may be seen at his office. Reference given to individuals in this place, now wearing teeth with this improvement.

Wilmington, June 10, 1853

Every freeman in pone the issuing of his manifesto to his people, which ancient Rome bathed, at least, once daily. The is said to be conched in warlike language, and to aconsumption of water, for the bath alone, must, mount to a declaration of war. be formed of the superiority of that old world metropolis to towns of the present time.

Nor was this superiority confined to the imperial city. Wherever the Romans carried their arms, dates back to the Romans, that has not its ruined acqueduct to show. Well did that ancient people understand the hygienic qualities of water! In modern times, not half the towns, even in civilized London, and a few other cities, Great Britain is sadly destitute of a water supply for her towns. In the United States more attention has been paid to the subject, because Americans generally are a more cleanly people, in personal habits, than the English ; but even in the United States, the water supply of burg. In presenting this justly celebrated Medicine to the public, towns is, on the whole, lamentably deficient. In no we make no rash assertions of its efficacy, nor is any hope city, for example, is bathing so common as in Phil-This remedy having been, for years, used in this place, for adelphia. Yet there are as many dwelling houses given them permission to remain in the Principalities.
